2026 SPONSORSHIP PACKAGE

RECLAIM. RESTORE. RECOVER.

Sponsorship for the Healing the Land Conference is now open!

Sponsoring organizations will benefit from early and ongoing digital promotion, visible on-site recognition, and meaningful networking opportunities to connect with leaders advancing shared priorities in Indigenous-led restoration and the broader restoration economy. Sponsors may support keynote speaker presentations, panel discussions, land-based tours and/or social events.

THE HEALING THE LAND CONFERENCE IS GROUNDED IN THREE GUIDING PILLARS – RECLAIM, RESTORE, AND RECOVER.

The Healing the Land Conference brings people together to advance restoration grounded in Indigenous teachings of reciprocity and responsibility to the land. By centering relationship-based approaches to restoration, the conference connects leaders, governments, industry representatives and practitioners to share innovations, deepen partnerships, and support long-term, responsible stewardship – healing ecosystems while renewing relationships with the land, water, and one another.
